## • Thapar Institute of Engineering Technology

Aug 2023 - Present

Bachelor of Engineering in Computer Engineering

o CGPA: 9.54

### Indian Institute of Technology Madras

Sept 2023 - Present

Diploma in Engineering in Programming

∘ CGPA: 8.57

## · Saiyyid Hamid Senior Secondary School

July 2022

Secondary Education
• Grade: 93%

### **PROJECTS**

#### Household Services App

Tools: Flask, Flask-Restful, SQLite, SQL-alchemy, bcrypt

 $[\mathbf{\Omega}]$ 

- Developed a Flask-based service marketplace with Role-Based Access Control (RBAC).
- Enabled professionals to list services, while customers can book and rate them.
- Designed an admin panel for user management, oversight, and operational insights.
- Implemented search functionality and summary analytics for enhanced usability.

### Game List App

 $Tools:\ Postgre SQL,\ Express.js,\ React.js,\ Node.js$ 

- Built a personal game listing website with search functionality using a public API (giantbomb).
- Enabled users to review games, with ratings dynamically updating on the website.
- Used PostgreSQL for database management and Node.js with Express for the backend.
